Project cost is £3,000	40% of that is £1,200	EDC will pay	£1,200
Project cost is £4,000	40% of that is £1,600	EDC will pay	£1,600
Project cost is £5,000	40% of that is £2,000	EDC will pay	£2,000
Project cost is £20,000	40% of that is £8,000	EDC will pay	£2,000

“In-kind” funding, such as volunteer time, can count towards the other costs of the work. However, you will need to fill in a time-sheet to account for time spent on the project.

You will need to provide **three** quotes for the work to be undertaken, all based on the same specification.
