Helping to meet affordable housing need in rural Cumbria

DATE Monday 10th March 2025

TIME 7.30-9.00pm

WHERE On Zoom

Cumbria Rural Housing Enabler Service

ACT is working with Eden Housing Association to deliver the Rural Housing Enabler Service across the county. We support communities to understand their affordable housing need and find the best options for development which meets that need.

Join us online to hear about a year of partnership working to unlock rural affordable housing opportunities. Our aim is to help meet the housing needs of small communities so that they remain vibrant and balanced. We will talk about:

- Why affordable housing is not being delivered adequately in rural communities (population below 3000)
- Why it's vital to challenge this and to support community action
- What the Rural Housing Enabler Service has put in place
- How we can work with you

Both ACT and Eden Housing Association bring expertise to this partnership. We will make time to answer any questions that we can on the day, and follow up where necessary.

**Funded by
UK Government**

**Booking is essential to make sure you
receive the Zoom link.**

**To reserve a place please contact Dani
Hall at ACT on**

**Tel: 01768 425666 or Email:
danihall@cumbriaaction.org.uk**
